

# Jennifer Conrad

*In today's fast-paced world, it's not easy to find a Realtor who is willing to take the time to listen and provide top-notch service from beginning to end. I strive to do just that for my clients... the kind of agent who hears her clients needs and finds solutions. My husband Mark is my Real Estate partner and together we are agents on The McAllister Team of Long & Foster. With over 40 years of experience, The McAllister Team understands all sides of Real Estate, making your experience with us enjoyable and stress free. Mark and I have a unique approach that is customized for each client depending on their needs. Everyone has a story and we truly listen to ensure we are providing the best solution. Contact us today to set up a property showing or to schedule your home selling consultation, we look forward to working with you.*
