

Now is a great time to **buy a home!**

1. Mortgage **interest rates** are still near historic lows.
2. **Prices** have moderated.
3. The **selection** of homes to choose from is huge.
4. Historically, the **value of your home** will increase over time.
5. There are many **tax advantages** to owning a home.

People trust Long & Foster | Christie's hardworking, highly-professional real estate agents to help them buy their first home or sell their existing home and buy a different one as their housing needs change.
