## PACKING TIPS

- Pack room by room, labeling boxes by item and room.
- Pack heavy items in small boxes/light items in larger boxes. Wrap breakables in newspaper, paper towels or clothes; place them in dresser drawers, containers with lids, etc.
- If bringing your washer/dryer, fill them with clothes and linens.
- Use rope or elastic to secure furniture—tape can cause damage.
- If you have children, let them be a part of the process by helping them pack their toys.
- Fill a box with moving-day essentials like paper plates, a coffee maker (and coffee), hand tools, extension cords, a bucket, rags, soap, and paper towels.
- Set aside a few days worth of clothes, food, and essentials needed before the movers arrive at your new home.
- Never pack combustibles, flammables, corrosive liquids (including household cleaners), jewelry, important papers or medicine.
