Shelly has been with the Grove Avenue office for 28+ years and is our “go to” girl. If she doesn’t know the answer she knows where to find it. She provides guidance and assistance to both agents and staff and serves as the main point of contact between our branch office and Corporate at all department levels. She performs a variety of both complex and routine administrative duties, is proactive and does what it takes to ensure the efficient operation of the office.

Jon Lohr— Reception/Administrative

He manages the phones, handles incoming and outgoing documents and mail, creates listing and contract kits, creates classified ads for the Times Dispatch and assists as requested. He also backs up our graphics assistant and is also available to lend a helping hand with agent special projects.

Danielle not only creates professional looking marketing materials for the agents, but also holds weekly technology classes pertaining to relevant issues and programs.
